## SKILL TRAINING

The purpose of skill training is to educate and upskill individuals. It helps to bridge the knowledge gap and enhance professional development. Skill training enables learners to acquire new skills and expertise. At SCAD Polytechnic, we focus on skill training programs to help students to improve themselves. On February 10, 2025, our staff members, Mr.Thirumalai Kumar (Lect/Mech) and Mr.Suresh Muthaiah (Lect/Auto) conducted a Domain skill for First-year students to prepare them for placements. The program was a great success, with students learning many useful skills and gaining valuable knowledge that will help them in their future careers.
