The purpose of skill training is to educate and upskill individuals. It helps to bridge the knowledge gap and enhance professional development. Skill training enables learners to acquire new skills and expertise. At SCAD Polytechnic, we focus on skill training programs to help students to improve themself. On February 20, 2025, our staff members, Mr.Anbalagan (Lect/civil) Mr.Thirumalai kumar (Lect/mech) and Mr.Ramesh Moorthy (Lect/eee) Mrs.Suja (Lect/cse) conducted a Domain skill for First-year students to prepare them for placements. They have learned the skills are board wiring, welding skill ,AutoCAD 2D and Auto mobile and technology. It a;;ows them to understand how electrical circuits function, allowing individuals to build, troubleshoot, and repair electronic devices by providing a hands-on approach to connecting components and managing electrical flow within a circuit
