## SKILL TRAINING- FIRST YEAR

Placement training includes activities and programs that help students and job seekers become ready for work. These programs aim to fill the gap between what is taught in school and what employers expect in the workplace. At SCAD Polytechnic, we focus on placement skill training programs to help students secure jobs. On January 22, 2025, our staff member, Mr. Thirumalai Kumar (Lecturer, Mech), Mr. Suresh Muthaiah (Lecturer/ Auto) and Mrs. Suja (Lecturer/ Cse) conducted a Domain skill for First-year students to prepare them for placements. The program was a great success, with students learning many useful skills and gaining valuable knowledge that will help them in their future careers.
