SKILL TRAINING

The purpose of skill training is to educate and upskill individuals. It helps to bridge the knowledge gap and enhance professional development. Skill training enables learners to acquire new skills and expertise. At SCAD Polytechnic, we focus on skill training programs to help students to improve themselves. On January 24, 2025, our staff member, Mr. Ramesh Moorthy (Lecturer, EEE), Mr. Vinoth selva kumar (Lecturer/ Mech) and Mrs. Suja (Lecturer/ Cse) conducted a Domain skill for First-year students to prepare them for placements. The program was a great success, with students learning many useful skills and gaining valuable knowledge that will help them in their future careers.

CLUB ACTIVITY

Club activities help students develop social skills, learn new skills, and work together to achieve goals. They also help students become more confident and independent. In our SCAD polytechnic, we have a variety of clubs to engage students in the activities. On Jan 24, 2025, our arts and books club in charge, Mrs. Ponlatha, organised an open book competition, which develops the students' critical thinking and problem-solving skills. In the presence of our principal, Mr. Monimaran gives encouraging words and starts the competition. The students participated enthusiastically in the program.

ALUMNI INTERACTION

The alumni interaction with students was organised by the department of ECE on January 24, 2025, to provide a platform for current students to connect with our esteemed alumni. The event aimed to facilitate knowledge sharing, networking, and mentorship opportunities. The event began with Mr. A. Esakkimuthu, followed by an introduction and the purpose of alumni interaction. He is working as a Machine operator in DS Connectors , Chennai. He shared his experiences, challenges, and achievements in his respective fields, providing valuable insights to the students. Also, he talked about the company discipline and rules to the students; they were engaged in Q&A sessions, seeking guidance on career paths, industry trends, and best practices.
