On January 25, 2025, HL-MANDO, a leading company in the automobile industry, visited our campus to conduct a placement drive for students from polytechnic colleges across Tirunelveli. Our students were excited about this opportunity and hopeful for selection. Before proceeding with interviews, the company wanted to assess the students' knowledge through an online test. To ensure everything ran smoothly, our Placement In-charge, Mr. Arivazhagan S, organized the online assessment for students from the Mechanical, Automobile, and Electrical & Electronics Engineering departments On January 25,2025. The assessment was conducted successfully, and we look forward to the HR team discussing the next steps and scheduling direct interviews soon.
